Interiors Private Limited

Corporate Presentation

INTRODUCING COMPASS

At Compass Interiors Pvt Ltd, we specialize in civil Interior Fit-Out and Turnkey Contracting solutions for both commercial and residential spaces. Our mission is simple: to transform spaces with **precision** , **creativity** and **care** .

Born in the heart of Hyderabad, Telangana, our journey began with a clear vision — to meet the rising demand for quality interior fit-outs across India and global markets. What started as a regional initiative is now evolving into an ambitious expansion across pan-India and GCC countries, driven by passion and a commitment to excellence.

THE VISIONARY BEHIND COMPASS INTERIORS PVT LTD TEAM

Our Team brings over 30 years of rich experience in the UAE and India, leading transformative projects across diverse industries. As Project Head under the banner of KP, he played a pivotal role in the development of the CA Campus. He has also led major projects for renowned global clients such as Google, Salesforce, DuPont India, ServiceNow, Wells Fargo, and Broadcom, under the banner of RK Interiors.

At the heart of Compass Interiors Pvt. Ltd., Mohammed Ali and his team are the creative force turning visionary ideas into inspiring realities. Their dedication and innovative approach have earned the trust of global giants. Driven by a shared vision, the team is committed to delivering timeless spaces that not only inspire but also elevate the way we live and work.

WHERE VISION BECOMES SPACE

We don't just design interiors — we shape experiences. Whether it's a dynamic corporate headquarters, a luxury urban residence, or custom-designed furniture, Compass Interiors brings bold ideas to life with seamless execution and striking form.

Every project is a fusion of functionality and art. We create immersive environments where design meets purpose — and people thrive.
